Join us on this exciting educational journey and experience the difference that our inspiring campus can make in your life.

Discover your untapped potential, acquire in-demand skills, and unlock a world of opportunities. Together, let's shape a brighter future through education.

Learnership Solutions

This is dependent on the modality of delivery selected. The delivery of the programme is flexible and will work around the times preferred by the employer, however some options are as follows:

Option 1: Technology Focused Delivery

Content delivered through the Digital Campus. Learners will have one day per module out of office to attend a tutorial session and complete assessments or option to complete on line assessment with invigilation through webcam.

Option 2: Face to face

The face to face module will require learners participating in face to face sessions for one week per module or one day a week for the duration of the programme.

Delivery Model

IQ aligns with your digital learning strategy offering accredited online qualifications

- Content provided on the IQ Digital Campus.
- Lessons are presented with animation and voice overs.
- Micro Learning -Each lesson segment is between three-four minute videos.
- In app quizzes to assess formative knowledge

Collaboration | Engagement | Creation

The IQ Learning App

The use of the IQ app allows learners to have the learning experience at their fingertips Learn anywhere any time. It integrates the workplace module seamlessly and learner can capture workplace tasks in real time.

BBBEE | DISABILITY SOLUTION

IQ works closely with the Johannesburg Council for the Disabled creating sustainable and bespoke solutions which promote and create opportunities for persons, with disability to access education,, decent work and economic independence.

Our end-to end solution creates positive, nurturing yet stimulating environment in productive workshops that addresses learning and employment opportunities.

Benefits

- ◆ Fully Vetted Learner Database
- ◆ Guaranteed retention
- ◆ High Certificate rate
- ◆ Learner support and faculties and reasonable accommodation
- ◆ Tax Rebates
- ◆ Meaningful work opportunities
- ◆ Absorption Mechanism

Future-Ready Skills

In a rapidly evolving world, we understand the importance of equipping learners with future-ready skills. Our programmes focus on developing not only technical competencies but also critical thinking, problem-solving, communication, and adaptability skills. We aim to empower you with the capabilities to thrive in a dynamic and ever-changing professional landscape.

Continuous Quality Assurance

Quality assurance is a top priority for us. We have robust systems in place to ensure that our programmes meet and exceed educational standards. We regularly review and update our curriculum, course materials, and delivery methods to ensure they align with industry best practices and emerging trends. Your learning experience with us is constantly evolving and improving.

RPL MADE EASY

Easily turn your skills, knowledge and experience into a nationally recognised qualification.

At IQ, we understand that your journey towards achieving your qualifications may have already begun through your prior experiences and learning. That's why we offer Recognition of Prior Learning (RPL) as a pathway to accelerate your progress toward earning a qualification.

RPL is a process that acknowledges and validates the knowledge and skills you have acquired through your work experience, previous education, and other relevant learning opportunities. It allows you to demonstrate your competence and expertise in a particular field, enabling you to fast-track your qualification journey.

The RPL process entails the following:

- Identifying what you know and are able to do.
- Matching your skills, knowledge and expertise with specific standards.
- Assessing you against those recognised standards.
- Rewarding you through certification or credits leading to qualification.
- Identifying future training needs to assist you in progressing to higher levels of competence/certification.

By choosing RPL at IQ, you can:

Save time

Save money

Accelerate your career

Gain confidence

At IQ, we are committed to supporting you on your educational journey, whether you choose to pursue a qualification through traditional coursework or through the RPL pathway. Our RPL process is designed to be fair, transparent, and rigorous, ensuring that you receive the recognition you deserve for your prior learning.

MATRIC SECOND CHANCE

Matric results are highly valued in South Africa and are seen as a crucial stepping stone to access higher education and a range of job opportunities.

The excessive costs of a “good” education are crippling family lives and making further study very difficult.

At IQ, we bring a packaged, easily accessible solution directly to you.

The Amended Matric

If you are an adult out of the school system wanting to complete your matric, the pathway is simple and easy!

Amended Senior Certificate is exactly the same as a National Senior Certificate. You receive the same certificate as someone that exited the school National Senior Certificate from Umalusi.

Requirements

- ◆ A Grade 9 school report or Standard 7 - showing a pass mark
- ◆ A recognised equivalent qualification obtained at NQF Level which requires two official languages
- ◆ You need to be 21 years old or older
- ◆ An incomplete matric achievement
- ◆ Valid South African ID.

The only difference is that the National Senior Certificate has a school based assessment (year mark), trial exams.

The Amended Senior Exams has only the final exit exam which forms 100% of the pass mark.

Umalusi is responsible for the quality assurance of assessment in the Grade 12- year and issues the National Senior Certificate and the amended Senior Certificate to successful candidates.

OUR VALUE TO YOU

01

Our learning solutions are integrated into the workflow, designed to enhance the learner experience and creates a learning culture that optimises your employees ability to perform in a digital age

We deliver learning solutions that will optimise your people & business performance.

02

03
